ABIGAIL HOBBS

Experience

Associate Managing Editor
February 2023 - Present

▶ Coordinate with section editors and copy editors for the assignment of stories and photos so that the newspaper may be completed and published in an orderly manner and by deadline

▶ Lead monthly planning meetings with 35 staff members

▶ Supervise distribution by maintaining a list of all delivery locations and dividing them among the editorial staff

▶ Read all pages after final copy editing has been completed to check for any style and spelling errors, design issues or potential legal issues

▶ Coordinate each edition with executive staff

▶ Participate in weekly class to review reports from other leadership members

Copy Chief of Elon News Network
December 2022 - Present

▶ Manage flow of article delegation to six copy editors

▶ Edit and fact-check all articles for accuracy and consistency before publication in a strict production schedule

▶ Train reporters and copy editors in AP Style

Reporter at Elon News Network
August 2021 - Present

▶ Write weekly articles for politics, news and lifestyle sections

▶ Interview story sources, including professors, students, politicians and professionals

▶ Produce high quality work in tight time frame
